

## **PPDAI Group Inc. Reports Further Progress in Expanding Funding from Institutional Partners in the Third Quarter of 2019**

SHANGHAI, Oct. 9, 2019 /PRNewswire/ -- PPDAI Group Inc. ("PPDAI," "Paipaidai," or the "Company") (NYSE: PPDF), a leading online consumer finance marketplace in China, today announced further progress in expanding its funding from institutional partners.

The Company has continued to make solid progress in expanding funding from institutional partners. In the third quarter of 2019, the proportion of loans facilitated by institutional funding partners to total loan origination volume increased to 75.1%, from 44.8% in the second quarter of 2019, and 14.3% in the third quarter of 2018. The Company's loan origination volume facilitated by institutional funding partners increased significantly by 90.7% to RMB18.5 billion in the third quarter of 2019 from RMB9.7 billion in the second quarter of 2019.

Mr. Feng Zhang, Co-Chief Executive Officer of PPDAI, commented, "Benefitting from the rapid growth in institutional funding, the Company's total loan origination volume in the third quarter of 2019 increased by 13.7% to RMB24.6 billion, above our RMB22 billion to RMB24 billion guidance for the third quarter, from RMB21.6 billion in the second quarter of 2019."

Mr. Jun Zhang, Chairman and Co-Chief Executive Officer of PPDAI, added, "We are pleased with the rapid and successful expansion of our funding sources towards institutional funding partners. The momentum and outlook in our funding from institutional partners remain solid and we will continue to strategically expand funding on our platform from institutional partners."

### **About PPDAI Group Inc.**

PPDAI is a leading online consumer finance marketplace in China with strong brand recognition. Launched in 2007, the Company is the first online consumer finance marketplace in China connecting borrowers and investors. As a pioneer in China's online consumer finance marketplace, the Company benefits from both its early-mover advantages and the invaluable data and experience accumulated throughout multiple complete loan lifecycles. The Company's platform, empowered by its proprietary, cutting-edge technologies, features a highly automated loan transaction process, which enables a superior user experience, as evidenced by the rapid growth of the Company's user base and loan origination volume.
