Management will meet with institutional investors throughout these events. For additional information, please contact your respective institutional sales representative at each sponsoring institution.

### **About PPDAI Group Inc.**

PPDAI is a leading online consumer finance marketplace in China with strong brand recognition. Launched in 2007, the Company is the first online consumer finance marketplace in China connecting borrowers and investors. As a pioneer in China's online consumer finance marketplace, the Company benefits from both its early-mover advantages and the invaluable data and experience accumulated throughout multiple complete loan lifecycles. The Company's platform, empowered by its proprietary, cutting-edge technologies, features a highly automated loan transaction process, which enables a superior user experience, as evidenced by the rapid growth of the Company's user base and loan origination volume. As of March 31, 2019, the Company had over 93.9 million cumulative registered users.
