SHANGHAI, May 25, 2026 /PRNewswire/ -- FinVolution Group ("FinVolution," or the "Company") (NYSE: FINV), a leading fintech platform across China and overseas markets, today announced that the board of directors of the Company (the "Board") has authorized a new share repurchase program (the "New Share Repurchase Program") effective on May 30, 2026. Pursuant to the New Share Repurchase Program, the Company may repurchase up to US\$150.0 million worth of its shares (including ADSs) during the period from May 30, 2026 to May 29, 2028.

Mr. Tiezheng Li, Vice Chairman and Chief Executive Officer of FinVolution Group, said, "Shareholder return remains a cornerstone of our capital allocation strategy. As our international platform continues to gain traction across multiple geographies and our domestic operations deliver stable profitability, we believe share buybacks represent a compelling use of capital. We are confident in our ability to deliver sustainable long-term returns to our stakeholders."

The Company's proposed repurchases may be made from time to time on the open market at prevailing market prices, in privately negotiated transactions, in block trades and/or through other legally permissible means, depending on market conditions and in accordance with applicable rules and regulations.
